AUCTIONEER'S STATEMENT / FEATURED SALE

Southwest Auction is excited to announce 2 complete dispersals in this auction. Midwest Country Kennels dispersal will feature all small breed dogs and, for the first time in over 20 years, a cattery! Cats have become an extremely lucrative business in the last few years and brokers and pet stores alike can not seem to get enough of them. Their cattery has been FPV and Felv tested and all animals will vet checked prior to transport. Our second dispersal comes from seller Maassen who has specialized in French bulldog imports, all AKC registered and also featuring the ever so popular breed, dachshunds. Maassen has been a wonderful, responsible breeder for over 30 years and we are honored she chose Southwest Auction to represent her bloodlines. This is a can't miss opportunity!!!
